Dear Harold,

Thanks for your letters and documents. Here are the copies you have requested, ~~xxxxxx~~ plus my newsletters of June ~~16, 23, 26, and 30~~ 9, 16, 23, and 30. The Army documents (FBI copies) you sent are particularly interesting. I'll do a separate letter on them (with an extra copy for your comments).

You sent me the interesting DeLoach memo of 4/4/67 re his conversation with Jack Anderson about Garrison. The Anderson column~~s~~ about the RFK-Castro plot-misfire theory was March 3, 1967. (You asked for the date.) I'm sure it's all related, somehow! Too complicated for me to follow.

With best regards,

*Paul*
